

## How It Works

Tell us what you need

01

Your import journey with us begins with a simple conversation. Share the products you're looking for, whether it's a detailed list, reference images, sample links, or even just an idea you want to explore.

We source & quote

02

Once we understand your product needs, the GAT team gets to work by sourcing from our network of trusted and verified factories across China.

Approve & pay supplier

03

We walk you through every detail to ensure you feel confident in your choice, from product specifications to timelines and cost breakdowns.

Importing Goods From  
*China to Malawi Made Simple!*

We ship @ \$180/CBM  
(40 days minimum)

Once your goods are fully inspected, approved, and ready for dispatch, GAT arranges safe & efficient shipping at a competitive rate of \$180 per CBM.

04

Customs Clearance

05

When your goods arrive in Malawi, we handle the customs clearance through our partners, LIMU Trade Agency. We take care of the paperwork & duties so your shipment is cleared quickly & read for collection or delivery.

## Why Choose Us?

### Transparent Pricing

At Global Access Trade (GAT), transparency is at the heart of how we operate. We believe that businesses should know exactly what they are paying for.

### Strong Supplier Relationships

We have built a solid network of trusted and verified suppliers across China, relationships strengthened over time through consistency, integrity, and shared commitment to quality.

### Consolidation from Multiple Factories

We understand that businesses often need a variety of products from different manufacturers. To save you time and significantly reduce shipping costs, we offer a seamless consolidation service that brings all your orders together under one coordinated shipment.

### Fast Communication & Updates

At Global Access Trade, we know that timely information is crucial when importing goods across borders. That's why we prioritize fast, clear, and consistent communication at every stage of your order.

### Professional Export Handling

Global Access Trade ensures that every shipment leaving China is handled with precision, professionalism, & full compliance with international export standards.

### Trusted across Malawi
